

## WE KNOW AUSTIN. PAST. PRESENT. FUTURE.

The face of Austin is constantly changing. Over the past four decades we have worked hand-in-hand with city officials, business owners, and residents to transform their dreams into reality. Together, let's continue to make this city one of the most beautiful in the world!

There is a reason why you live in Austin, a reason why you moved here to pursue your dreams and raise your family -- because it is one of the most incredible cities in the world. That is why you deserve an architecture firm whose roots are deeply planted in the best interests of those who live here.

From our personal, client-oriented design services, to our investment in urban planning, Kinney & Associates has embraced the rapidly changing face of the Live Music Capital of the World. We believe in the thoughtful, innovative approaches to the integration of our cherished natural resources with progressive, elegant, and fully functional design to nourish the creativity and success Austin prides itself on. We are proud to call Austin home. And so should you.

K&A IS BUILDING A BETTER AUSTIN.

Home is how you design it. From a minimalist "tiny house" to a palatial Hill Country estate, or gleaming modern Downtown office, we believe the environment in which you live and work should be a complete reflection of you. We work with our clients closely to fully realize their visions and create structures custom-tailored to the specific needs of the individual or business. Design the perfect home to raise your growing family. Or construct an office that embodies your venture's powerful potential. It all begins with a call to Kinney & Associates.
